Dr. Evil: Here’s the plan. We get the warhead and we hold the world ransom for… One million dollars!

Number Two: Don’t you think we should maybe ask for more than a million dollars? A million dollars isn’t exactly a lot of money these days. Virtucon alone makes over nine billion dollars a year.

Dr. Evil: Really? That’s a lot of money. Okay then, we hold the world ransom for one hundred billion dollars!
